## DISTRICT MAIN EVENT ADULT SPONSOR JOB DESCRIPTION

*Intermountain District Main Event* is a youth talent competition sponsored by the Intermountain District Nazarene Youth International, on the campus of Northwest Nazarene University, yet final responsibility for the rules, policies, and procedures of *Intermountain District Main Event* belongs to the NYI. And that means YOU!

Much like a youth camp or district retreat relies on the NYI adult leadership, the success of *Intermountain District Main Event* depends on you. As district sponsors, we must all come to the weekend's activities recognizing that we are responsible to make it run smoothly and to address any problems that arise as we would if they happened in our own home church. Often we attend university-sponsored events and rely on the university to make everything work well and everyone happy. But *Intermountain District Main Event* is an NYI event that just happens to be on campus. NNU is relying on us as adult sponsors to keep our teens involved, content, and "out of trouble". This will involve:

1. Supervision of all teen participants and spectators is the sole responsibility of the districts and local churches involved. While teens are on campus, please work to make sure they observe campus rules and exhibit appropriate Christian behavior.
2. Adult sponsors are responsible for conduct in the residence halls and hotels. They must see that they are in their rooms by midnight curfew, and that they are out of the rooms by 8:00 AM. Teens will not be allowed to loiter in their rooms during the day! Adults should check by on a regular basis to ensure that teens are out of the living areas. Please do not leave campus for an extended amount of time, leaving us short-handed in supervision.
3. Sponsors may be involved as coaches or district coordinators in competition areas, making sure that participants know their performance or game time, encouraging them as they compete, and being there for support. Sponsors may also have some specific responsibilities with the event, but cannot serve as Intermountain District Adult Volunteers (since these will be involved in other ways).
4. Adult sponsors should take responsibility for ALL teens at Intermountain District Main Event, not just those from your own district or church. In other words, if you see something problematic being done by a teen from another district, please involve yourself in the correction of the situation. We are asking that you provide security and supervision for student participants and guests. We want this to be a pleasant experience for everyone involved, and know that the continual presence of adult sponsors will provide both and guidance during the event.
5. Many who attend will not know Jesus; others may be struggling. Be prepared to counsel, pray with, or lead teens to Christ at any time! Sponsors are the key! Also, be ready to counsel with teens in the "heat of competition". Some will be learning for the first time how a Christian responds differently to competition than the world does; be a model of Christian sportsmanship! Some may be discouraged when they don't do as well as they would have liked; be an encourager! Help every teen to do their best, yet feel secure in God's love and in their efforts to improve themselves in their talent, no matter what the result!

## QUIZ TOURNAMENT RULES AND PROCEDURES

Main Event is the FINAL TOURNAMENT for Intermountain NYI Quizzing, culminating the 2011-2012 quiz year that began in August. From this, we will select the top local church team and the top individuals to compete on the "Intermountain All-Stars" team at Regional Main Event.

1. The tournament will cover ALL of Hebrews, 1 & 2 Peter, and follow the quiz handbook, except for using 5 quizzers and no substitutes in each round.
2. All church teams are eligible to enter teams into the District Main Event tournament.
3. Teams may consist of up to 6 quizzers, though only 5 can be entered into any particular round.
4. Quizzers can be junior high and/or high school students.
5. No extra fees are associated with submitting a TEAM to main event; individuals must register for the entire Main Event.
6. Participation in services is *required*; the late-night district activity is encouraged but not required.
7. Teams must provide a tournament official (quizmaster or scorekeeper). If a team is not going to be able to provide an official, that team/church needs to contact the quiz director at least one week before the tournament & provide an imaginative excuse delivered with a pitiful sounding voice.
8. From a round robin, teams will compete in a selection tournament (format chosen by the district QUAC prior to the tournament) to determine the top district team that will compete at Regional Main Event.
9. The all-star team will be selected using the method chosen by district quiz leaders prior to the tournament.
  - a. The method used will be either "Top 10" or "Top 12" quiz-off as described in the quiz handbook, page 38.
  - b. Those eligible for this competition will be the top individual scorers from the round-robin portion of the tournament, whether expert or novice.
    - i. Quizzers on the Champion Local Church Team are not eligible for this competition.
    - ii. Quizzers who do not participate in half the quiz rounds plus one (at least) are not eligible for this competition.
  - c. Two all-star teams will be selected for RME, 5 per team.
  - d. The 2<sup>nd</sup> all-star team will compete in the "open division" from which quizzers cannot advance to nationals.
10. The memory verse champion, who will receive a \$50 IMNYI scholarship, will be selected by his/her ability to most exactly quote 20 memory verses, selected at random, from the quiz material.
  - a. All verses will be given in the "quote" form and will be worth up to 10 points each.
  - b. The scoring rules will be the same as at all previous Bible quizzes.

# TALENT COMPETITION RULES AND PROCEDURES

## CHRISTIAN COMMUNICATION

District Main Event is a vehicle through which talents and leadership skills of youth are developed, encouraged, and used for Jesus Christ. Personal development is an important part of District Main Event. Our talents are an indication of His grace, not our own “special-ness” and are designed to help us live out our lives of worship by serving Him and others. It is for helping build the body of believers in our local church and community. God expects us to develop our talents and gifts so that we become the best we can be, with His power flowing through us, so that we can offer our lives in a true worship centered lifestyle.

Judges will focus on giving praises as well as constructive criticism. They will award a *Superior, Excellent, Good, Fair* or *Poor* score. Our goal is to help students improve their talents in order to be the best servant of God they can be. After judging is concluded, our judges will choose the top three in each category to advance to the Regional level.

1. The Christian Communications categories are:
  - a. VOCAL MUSIC: early youth male vocal solo, early youth female vocal solo, early youth vocal small group (2-4 persons), senior youth male vocal solo, senior youth female vocal solo, senior youth vocal small group (2-4 persons), vocal large ensemble (5-9 persons), vocal choir (10 or more persons), early youth praise band and senior youth praise band;
  - b. INSTRUMENTAL MUSIC: early youth instrumental solo, senior youth instrumental solo, early youth keyboard solo, senior youth keyboard solo, early youth instrumental ensemble (2 or more persons), senior youth instrumental ensemble (2 or more persons), early and senior youth songwriter;

  - d. SPEECH & WRITING: early youth speech, senior youth speech, early youth prose, senior youth prose, early youth poetry, senior youth poetry.
2. If any participant in a group is senior youth, the group must enter the senior youth category. Categories not differentiating early and senior youth involve participants of both age groups together.
3. No individual can enter more than one event per category. (Example: One may not sing in two different groups in the small group category.) Individuals are limited to participation in three Christian communication categories, excluding choirs. Human video and mime categories may be entered by either individuals or groups. Drama must be performed by groups; speech and oral interpretation are done by individuals only.
4. Time limits: all music, human video, dance, sign language, and mime: 5 minutes; drama categories: 8 minutes; puppets, speech, and preaching categories: 10 minutes. Exceeding time limit will have five points deducted.
5. All vocal, dance and sign language entries must be religious in nature; instrumental and keyboard entries may also include classical selections.
6. All music and drama must be memorized. No participant may use the same song or drama they entered in a previous year.
7. Taped accompaniments without vocal background are permissible for vocal competition. Taped accompaniment with vocals may be used for human video. Taped accompaniment is permissible for instrumental, keyboard, and praise band competitions. Background accompaniment should not contain the same instrument being played. All taped accompaniment tracks used must be original.
8. Three copies of any music used must be given to the judges for evaluation purposes (copies of tracks inserts must be enlarged to 8½ X 11 size). The printed score must reflect the music being performed and the parts sung/played by the entrant. Lyric sheets are not sufficient.
9. Each church is allowed three participants in each Christian Communications category at Intermountain District Main Event. Participants will be evaluated by a combination of invited judges in the various categories.

The **PRAISE BAND** category may include any number of participants, using a combination of vocals and live instrumentation. No accompaniment tracks are permitted. Praise band entries are required to submit a score of music being performed; three copies will be helpful to the judges. No instruments will be provided. Instrument sound level checks must be scheduled and completed during the break prior to the category. Entries will be evaluated for both vocals and live instrumentation.

The **SONGWRITER** category involves the presentation of an original song performed by the writer or someone else they have selected. The performance should include no more than one singer and one harmonic instrument, i.e. guitar, piano. Three copies of lyric and chord charts must be provided for the judges. The lyrical content must be faith-based.

**DRAMA** competition involves a presentation of a religious skit, short drama, or cutting from a play, which involves two or more characters portrayed by two or more persons. All material must be memorized. Limited staging, costumes, and props may be used, but must be provided by the entrants, and be on hand and able to be set up quickly at the time of competition (2 minute limit). Three copies of the piece performed must be presented to the judges prior to performance.

**ORAL INTERPRETATION** is a reading or dramatic monologue of single or multiple selections of poetry, prose, or scripture by an individual. The reading or dramatic monologue must include an introduction written by the participant, and, if multiple selections are used, brief original transitions. Selections may be presented from manuscript or from memory. Three copies of the piece must be submitted to the judges prior to competition.

**MIME** competition consists of a presentation of a story through bodily and facial movement only, which may involve one or more persons. Limited staging, costumes, and props may be used, but must be provided by the entrants, and be on hand and able to be set up quickly at the time of competition (2 minute limit). A verbal introduction must be given prior to the performance.

**HUMAN VIDEO** involves the silent dramatization by a group or individual of a taped musical selection performed by a recording artist. Three typed copies of the words of the song performed must be presented to the judges prior to performance.

**SIGN LANGUAGE** involves an individual interpreting a musical selection or scripture reading through manual communication using either ASL (American Sign Language) or SEE (Signing Exact English). The individual must choose only one of these usages of communication throughout the entire song or scripture. The musical selection or passage of scripture may be pre-recorded or live.

**PREACHING** is defined as the presentation of an original message from a Biblical passage of the entrant's choice. The exposition is to contain an introduction and conclusion. The points of the sermon arise from and explain the meaning of the passage itself, then give contemporary application. Outlines are to be original; all sources used must be credited. Notes may be used during presentation. All preaching entries must, of course, be religious in nature. Three copies of the manuscript or outline used must be submitted to the judge before the presentation.

**DANCE** shall consist of a choreographed presentation to music that is religious, classical or ethnic folk (ex. Irish dancing) in nature. Dance, movement and attire must be appropriate (Psalm 149, 150), keep in mind the Christian principal of modesty and not violate the moral and ethical standards of the Church of the Nazarene. Accompaniment shall be pre-recorded (No exceptions).

**PROSE OR POETRY** participants must attend Intermountain District Main Event and turn in their work at the organizational meeting on the first afternoon. All entries must be of a religious nature; prose may be fiction or non-fiction (if non-fiction, all sources must be cited with endnotes). Each entry must have a cover page indicating the participant's name, district, and category entered. The participant should keep a personal copy in case of loss. (Note: Copy machines will *not* be available at the university. Failure to submit three copies at the organizational meeting will result in disqualification.)

**SPEECH** competition involves presentation of an original speech to inform, persuade, amuse, or inspire. Notes may be used, but the speech may not be read from manuscript. Visual aids may be used to supplement or reinforce. Speech topics must be on a topic relating to Christianity, but differentiated from a sermon (see above). Three copies of the speech/outline must be submitted to the judges prior to competition.

3. Each art category piece (painting, drawing, and photography) must be displayed on a mat, mount, or frame, and be able to be hung for display.
4. Each piece must also have a small card with the name of the artist, age level and category entered, and district affixed to the back of the art piece.
5. Each duct tape piece must be made completely of duct tape. Nothing may be used to give “structure” to the art piece. Duct tape may be printed or colored on, or you may use colored duct tape.
6. Biblical or religious themes are not required in art; however, the nature or content of entries must not violate the moral and ethical standards of the Church of the Nazarene.
7. All entries will be judged according to creative use of the media involved, exhibit a high degree of craftsmanship, show originality of theme, and present the work in such a way that complements and enhances its overall appearance.
8. Each church is allowed three participants in each Art category at Intermountain District Main Event. Participants in Art must attend Intermountain District Main Event and must turn in their work at Check-in. Art exhibits will be evaluated by invited artist judges in the various categories.

6. For Intermountain District Main Event, a roster for each team must be submitted with registrations to the District Coordinator. Only students, whose names are on the roster, may compete at Intermountain District Main Event.

### **BOYS BASKETBALL:**

1. Team Basketball competition will include separate “Senior Youth” and “Early Youth” boys tournaments. Each church may bring two qualifying teams. Tournaments will be double elimination with the exception of the final round; should the team from the one-loss bracket defeat the team from the no-loss bracket, a ten minute “super-overtime” will be used to determine the champion.
2. Each game will be 20 minutes in length, with the clock stopping only for time-outs until the final 2 minutes of play. Each team is allowed two time-outs per game. A two minute overtime will be used. A technical foul will be assessed if a team uses a full court press when leading by 20 points or more (one warning per half). A five-minute warm-up time will be used between games. IHSAA official High School Basketball Rules will be used. Any other variations will be discussed at the coaches meeting.
3. Each coach, player, and spectator is expected to demonstrate Christian sportsmanship and self-control, and show cooperation with officials. Any player or coach receiving 1 technical foul will be eliminated for the duration of the game. Upon receiving the second technical foul, the player will be eliminated for the duration of the tournament.
4. The scheduling and tournament brackets are done by random and will be communicated at the coaches meeting. Specific details of the tournament will be discussed at this time with the coaches. Teams must provide their own transportation to other gym locations off-campus (as needed).
5. Each church is allowed two qualifying teams per age group at Intermountain District Main Event, with no more than twelve players and two coaches allowed for each team. Each team must have their own uniform shirts with numbers and designated colors.
6. For Intermountain District Main Event, a roster for each team must be submitted with local registrations. Only students, whose names are on the roster, may compete at Intermountain District Main Event.

## **CO-ED SOCCER:**

1. Soccer competition will consist of one tournament for boys and girls of all ages. Each church is allowed two qualifying teams. The competition will be structured as a pool play tournament; with a single elimination brackets final round played among top two finishers from both pools (1<sup>st</sup> place vs. 2<sup>nd</sup> place of opposite pools).
2. No more than fourteen players and two coaches are allowed for each team. Games will be played with six field players and one goalkeeper. There must be a minimum of two girls per team on the field at all times. Subs may go in on their own throw in or any other dead ball situation, after reporting to the scorer's table first.
3. Each team must have their own uniform shirts with numbers on the back and designated colors. Goalkeepers must wear a neutral color. Shin guards are required; any player without proper shin guards will not be permitted to participate.
4. Field size will be half the size of a soccer field (approx. 60 yards by 70 yards). Field markings will be the same as regulation soccer with the exception of penalty boxes being reduced by eight yards length and width. The goalkeeper may only distribute the ball with his/her hands.
5. A game will consist of two twenty minute halves with a five minute half time. No overtime periods; ties will be settled with a shoot-out. All ties in the final round will be settled with sudden death overtime. The method for breaking ties to determine who qualifies for the final round is as follows: 1. Head-to-head; 2. result against common opponents; 3. Goals allowed; 4. 10 minute play-off.
6. Any flagrant tackles or tackling from behind will be an immediate red card violation, resulting in disqualification from that game. All other rules will be the same as those outlined in the current National Federation Soccer Edition, published by the National Federation of State High School Association.
7. For Intermountain District Main Event, a roster for each team must be submitted with local registrations to the District Coordinator. Only students, whose names are on the roster, may compete at Intermountain District Main Event.

## **AWARDS AND RECOGNITION**

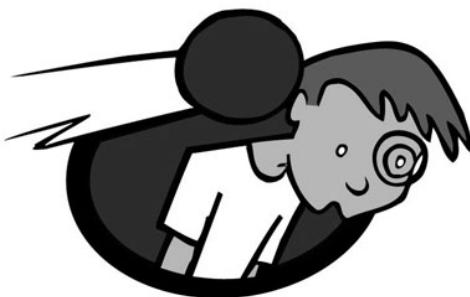

Intermountain District Main Event will conclude with an awards ceremony on Saturday. All participants are expected to attend the awards ceremony. All participants and groups who receive a SUPERIOR award will be recognized at the awards ceremony. The participant or a friend must claim awards; awards cannot be mailed to absentee participants.

## DODGEBALL RULES AND PROCEDURES

1. Teams will be made up of six players. Six players will compete on a side; others can be available as substitutes. A minimum of four players must be present for a team to start a game. Substitutes may enter the game only during timeouts or in case of injury.
2. Six dodgeballs will be used per court.
3. The object of the game is to eliminate all opposing players by getting them “OUT”. This may be done by:
  - a. Hitting an opposing player with a LIVE thrown ball below the shoulders.
  - b. Catching a LIVE ball thrown by your opponent before it touches the ground.
  - c. If you catch a LIVE ball thrown by your opponent, one player on your own team may enter in the order they were OUT. Enter at the end line.
  - d. A LIVE ball is defined by one that has been thrown and has not touched anything, including ground/floor, another ball, another player, official, or other items outside of the playing field (wall, ceiling, etc).
4. During play, all players must remain within the boundary lines. Players may leave their boundaries through their back end line only to retrieve stray balls. They must also return through their end line.
5. A player may not step on or over the center line. A player may reach over the center line to retrieve a ball.
6. The game begins by putting six dodgeballs along the center line—three on one side of the center and three on the other side. Players start behind their end lines. The official signals the beginning of the game and both teams may approach the centerline to retrieve the three balls to the right of the center hash line. The ball cannot be thrown until it is taken behind the attack line.
7. A game will consist of 3 rounds. In each round the first team to eliminate all opposing players is the winner. There will be a 15-minute time limit per round. If neither team is eliminated by the end of the 15 minutes, the team with a greater number of players remaining will be the winner. If both teams have the same amount of players, a 1-minute sudden death overtime period will be played with the remaining players on the court at the end of regulation time. The team with the best of three rounds wins that game.
8. Each team will be allowed one 30-second timeout per game. At this time and between rounds a team may substitute players into the game.
9. No Stalling! Players must release their available dodgeballs within a reasonable time period (10 seconds). Players holding a ball may bat other balls away with that ball. The deflected ball is no longer in play.
10. Each church may bring two qualifying teams.

NOTE: At Regional Main Event, 6” foam dodgeballs with rubber coating will be provided and will be the only ones used. Any dodgeballs of choice may be used at District Main Event.

# INTRAMURAL SPORTS RULES AND PROCEDURES

## FLAG FOOTBALL

*These rules are subject to change. In the case of any rule changes, all teams will be informed prior to games.*

1. Teams shall consist of five players, with the minimum starting number of three players. Failure to provide the appropriate number of players within fifteen minutes of game time will result in a forfeit.
2. Each team is allowed a maximum of fourteen players on their roster. 1 adult coach may play as well.
3. Players are prohibited from wearing: track or metal cleated shoes, football cleats, padded suits, or special protective devices (e.g. shoulder pads, helmets, etc.). Players must wear shoes.
4. Playing time will follow the 20-15 Rule. The first half will be twenty minutes in length, running clock. The second half will be fifteen minutes in length, running clock.
5. Each team shall have two time-outs during each half of the game. An Official may stop the clock at other times if, in his/her judgment, unusual conditions prevail that call for such an action (i.e. an injury).
6. If an official blows his or her whistle inadvertently, the ball is dead and the play stops. Referee's judgment will govern the situation.
7. All fumbles are dead as soon as the ball touches the ground. The ball will be spotted for the next down from the point where the ball first touched the ground, if the ball lands parallel to or behind the ball carrier. If the ball lands in front of the ball carrier, it will be spotted from the point where the player fumbled the ball. (Exceptions: Fumbles that land in either end zone.)
8. Once any part of ball carrier's body touches the ground (excluding hands and feet) play shall be ruled dead.
9. The ball shall be put into play within twenty-five seconds after it is declared ready.
10. A free kick begins each half of a game. The ball shall be put in play by a place kick from some spot on or behind the kicker's free-kick line. Unless relocated by penalty, the kicking team's free kick line on kick-offs shall be its twenty-yard line. The ball shall be either held (un-elevated) by a designated placeholder or placed on a tee not to exceed two inches. After all touchdowns, no kickoff shall occur. The ball shall be awarded to the team scored on at their own 15-yard line, barring any enforceable penalties. After safeties, the team scored on shall kickoff from their own 20-yard line, barring any enforceable penalties. After safeties, a kickoff or punt is allowed to restart play.
11. The ball must be snapped with one fluid motion from the ground. Legal snaps need not be through the legs.
12. The offensive team must have at least four players on their scrimmage line (anywhere along their scrimmage line).
13. One offensive player may be in motion, but not toward the opponent's goal line. Other offensive players must be stationary in their positions without movement of their feet, body, head, or arms. The offensive team must still have four players on their scrimmage line at the snap not including the man in motion.
14. A forward pass may be made from any point behind the line of scrimmage. Handing the ball forward will not be considered a forward pass.
15. During a legal forward pass, contact which interferes with an eligible receiver is pass interference, unless it occurs when two or more eligible receivers make a simultaneous and bona fide attempt to reach, catch, or bat a pass. It is also pass interference if an eligible receiver is deflagged prior to touching the ball. In addition, if the pass interference by either player is intentional or unsportsmanlike, his or her team shall be penalized an additional ten yards.
16. A touchdown scored by a male or during a male-to-male play shall be worth *six* points. A touchdown scored by a female (passer, receiver, or rusher) shall be worth *nine* points.
17. An opportunity to score one point from the three-yard line, or two points from the 10-Yard line shall be granted to the team scoring the touchdown.
18. Interceptions of an attempted conversion may be returned. If returned to the end zone, the intercepting team will be awarded two points.
19. Teammates of a runner or passer may interfere for him/her by screen blocking but shall not use interlocked interference by grasping or encircling one another in any manner.
20. Defensive players must go around the offensive player's screen block. The arms and hands may not be used as a wedge to contact the opponent. Screen blocks will be judged as legal or illegal similar to how blocks and charges are judged in Basketball.
21. Runners shall not flag guard by using their hands, shoulders, arms, or the ball to deny the opportunity for opponent to pull or remove the flag belt.
22. Spinning is allowed, however, two full steps must be taken between spins.
23. A player on the ground cannot touch a ball carrier.

24. When a runner loses his/her flag belt accidentally, inadvertently or intentionally, play continues and the deflagging reverts to a one-hand tag between the shoulders and knees.
25. The Defensive team may rush on "5 Alligator."
26. The Quarterback may only run the ball if he/she is being rushed.
